PICKUP REQUEST MADE EASY

Estes Shipping Tools

At Estes, we want to make freight shipping easy. That's why our Pickup Request tool is packed with intuitive features that simplify your experience and save you time.

Our Pickup Request tool makes it easy to:

- Add multiple shipments to a single pickup request with the option to include unique reference numbers
- List important freight characteristics so we can bring the best equipment to suit your needs
- Enter dockworker contact information in case our driver needs to reach out about your pickup

And so much more!

Ready to experience it for yourself? Log into My Estes to check out our Pickup Request tool. Or if you don't have a My Estes account, you can sign up for one today!

Superior Pickup Visibility

Track the status of your pickup in our award-winning Pickup Visibility application!

Learn more about how all our My Estes shipping tools can help simplify your experience.

At Estes, going the extra mile isn't just what we do—it's who we are
