DRIVING FREIGHT FORWARD

VIDEO CHAT WITH WEBB ESTES

Our President and COO shares the progress we've made this year to deliver an even better experience for our customers, as well as his vision for 2024. Watch here!

LTL INDUSTRY TRENDS AND INSIGHTS

Estes subsidiary EFW recently acquired Superior Brokerage Services, a supply chain service company specializing in domestic and international transportation, customs, brokerage, and warehousing. Read more.

THE LATEST FROM ESTES

We're excited to introduce Estes Association Solutions. This new program is a way to better serve our partners and customers across the LTL Industry. Estes Association Solutions provides a dedicated team to help your association members find reliable freight transportation services at discounted rates. Learn more.

SHIP SMARTER

Need to make a trade show shipment? You can count on our subsidiary EFW to ensure your exhibit and event marketing materials arrive safely, securely, and on time. EFW's premier trade show transportation services are backed by a nationwide network of venue managers, show planners, transportation professionals, and storage providers. Get started today.

GOING THE EXTRA MILE

For the third consecutive year, Penske Logistics has recognized Estes with its National LTL Carrier Award! This award honors carriers that deliver exceptional service to support Penske's freight management customers across the nation. Learn more.

Logistics Plus Award • Penske Award • New Terminal Opening

Been There. Shipped That. We now have six solar terminals and 12 EVs.
