PRODUCT ROLLOUTS

When Reliability and Precision Matter Most

At Estes, we know that successful rollouts consider every detail and rely on precision. That's why we leverage our vast terminal network and comprehensive freight shipping services to help you manage every aspect of your product rollout from pickup to delivery.

Bringing a new product to market? You can count on Estes for:

- A single point of contact for the life of your rollout
- A team of dedicated logistics experts that works closely with you to identify your needs and develop thorough plans for moving your freight across the state, country, or globe with precision
- The industry expertise and freight shipping solutions to meet the challenges rollouts present, such as higher-than-normal shipping volumes, new lanes and distribution patterns, and narrower-than-usual delivery windows
