SEAMLESS OFFSHORE SHIPPING

Smooth Sailing All The Way

When it comes to offshore shipping, Estes delivers unmatched quality every step of the way. We provide frequent, reliable sailings to and from Alaska, Hawaii, Puerto Rico, and the Caribbean. And we offer a full range of offshore freight solutions, including LTL, Volume LTL and Truckload, Final Mile, and Time Critical Guaranteed services. Our shipping containers also often feature captive beams and our proprietary Webb walls—a notched steel wall system engineered for best-in-class loading—so you can count on us to keep your precious cargo secure on the high seas.

Trust Your Offshore Freight To Estes And Enjoy:

- Superior quality and best-in-class freight loading thanks to our ocean containers' captive beams and Webb walls
- Complete freight visibility from pickup to delivery, with tracking through My Estes and a single PRO all the way
- Frequent, reliable sailings to and from many of our offshore destinations by way of ocean steamship, the fastest ocean transportation available
- Automated dimensioners for superior billing accuracy—with Estes, you only pay for the container space you use
- Roll-on/Roll-off service for wheeled cargo and vehicles using our own equipment
- A dedicated Offshore team, available to assist you Monday through Friday until 10:00p.m. ET, should you need any help with your shipment
