GROCERY SHIPPING

Seamless Grocery Delivery Solutions You Can Count On

At Estes, we combine our robust nationwide network with 95 years of industry expertise to provide a reliable and streamlined grocery solution that meets your consignees' strictest delivery requirements.

When you ship your grocery freight with Estes, you're choosing a carrier with:

- 300+ North American service centers and nearly 7,000 next-day lanes to ensure your shipments arrive on time
- Guaranteed on-time pickups, appointments, deliveries, and damage-free shipments through our Time Critical Guaranteed service
- Preferred carrier status with leading grocery consignees, offering advantages like greater familiarity with receiving processes, express or priority doors, and preferred unloading
- The option to drop trailers at select grocery locations to streamline receiving, minimize handling, and reduce detention and other accessorial fees
- An optional all-inclusive grocery accessorial that covers common charges like appointments, detention, storage, lumpers, and palletizing
- An Appointment Research Tool that provides detailed appointment and transit records to help confirm shipment performance and reduce the risk of chargebacks

And we make it easy to track your grocery freight with real-time status updates from pickup request through delivery!
