DRIVING FREIGHT FORWARD

VIDEO CHAT WITH WEBB ESTES

Our President and COO shares updates on Estes' strength and stability amid shifting economic conditions, investment in our operations and employees, and our commitment to do good. Watch here.

LTL INDUSTRY TRENDS AND INSIGHTS

As a debt-free, privately owned LTL carrier with 90+ years of expertise, Estes remains resilient during economic uncertainty. We're investing in our network, people, and stable growth areas like Grocery—where we continue to excel thanks to our exceptional track record of meeting the tightest delivery windows. Learn more.

THE LATEST FROM ESTES

Need full-service, customized fleet solutions? Thanks to our vast terminal network, robust fleet, and 20 years of logistics experience, Estes Logistics' Dedicated Fleet Services offer the equipment, drivers, and ongoing support you need to focus on what matters most—your business. Read more.

SHIP SMARTER

At Estes, we want to make it easier for you to track your LTL freight's environmental impact. That's why we worked with SMC³ to develop an allocated emissions calculator for our Allocated Emissions Report Program. Currently in its pilot phase, we are excited to see how it will help you make more informed, sustainable shipping decisions. Discover more.

GOING THE EXTRA MILE

As part of our Open Heart, Open Road charitable giving program, Estes is rolling out new charity trailer wraps to help raise awareness about important causes, including suicide prevention, forest preservation, cancer research, and more. Read more.
