DEDICATED FLEET SERVICES

So You Can Focus On What Matters Most

If you're looking for fully dedicated end-to-end support, equipment, and drivers, our Estes Logistics dedicated fleet services may be the custom solution for your business. Backed by the power of our extensive fleet, vast network, and 20 years of industry experience, our dedicated freight transportation services offer:

- Driver management so you can focus on what matters most
- Reliable equipment including box trucks, tractor trailers, vans, reefers, flatbeds, and chipper trailers
- Minimal risk as Estes assumes all fleet liability and insurance costs
- Scalable capacity and driver personnel to meet your business's needs

And we offer our dedicated services to shippers across the USA, so no matter where you are, or where you need your freight to go, you can count on Estes Logistics to deliver.

Want to transition your private fleet to an Estes dedicated fleet? We can help make the process seamless by hiring your current drivers, assuming the leases or purchasing your existing equipment, and by providing an onsite support team to ensure a smooth transition.

Ready to get started? Learn more about our dedicated fleet services or contact us today!
