SEAMLESS CROSS-BORDER CANADA SHIPPING

Navigating North America

Estes goes the extra mile to provide seamless cross-border Canada service you can count on. Whether you're shipping to Vancouver, St. John's, or anywhere in between, Estes makes it easy to ship your freight safely across America's northern border.

Trust Your Canada Cross-Border Freight To Estes And Enjoy:

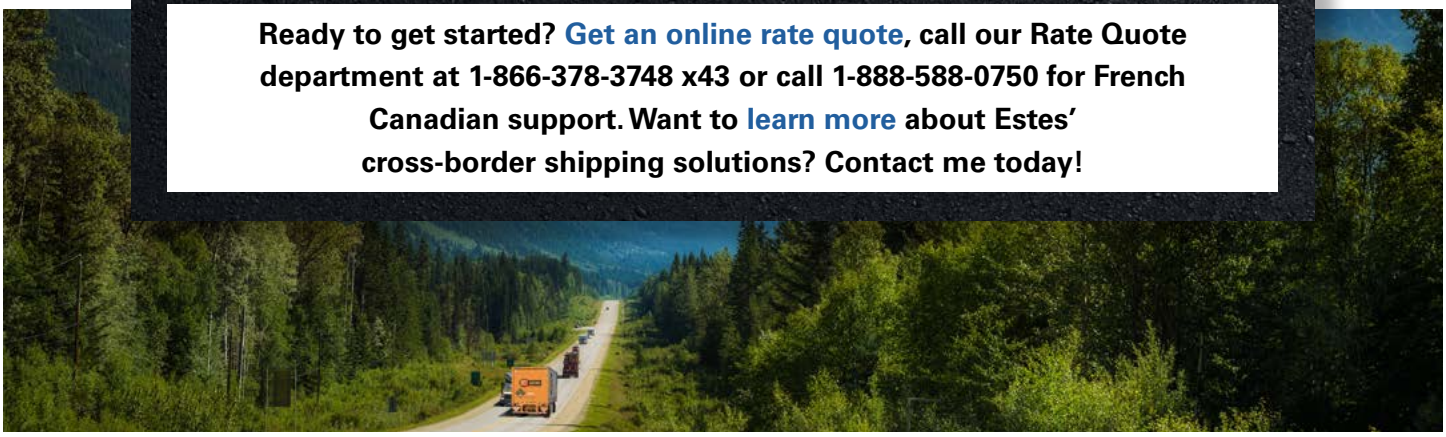

- Complete freight visibility from pickup to delivery, with tracking through My Estes and a single PRO all the way
- Direct service to and from just about any destination in Canada and regularly scheduled transit lanes to even the most remote areas
- Next-day service to many Canadian destinations, including:
  - From the Upper Midwest to Toronto, London, and Windsor
  - From the Northeast to Montreal
  - From the Pacific Northwest to Vancouver
- Time Critical Guaranteed delivery to most destinations throughout the country

And we have dedicated Border Concierges, available seven days a week, 24 hours a day to help facilitate your cross-border shipping experience!

Estes Customs Brokerage

Estes also offers Canada customs brokerage services to help streamline the customs process and make Canada cross-border shipping even easier. You can count on our partner brokers to process your required customs information and to track your shipment's status as it moves through customs to ensure proper clearance and reduce delays.

RELIABLE CROSS-BORDER MEXICO SHIPPING

Shipping Solutions South of the Border

If you're looking for reliable, cross-border Mexico shipping solutions—Estes delivers. Through our partnership with Almex, a leader in Mexico cross-border LTL shipping for more than 70 years, Estes provides a complete solution to get your Mexico freight safely across the border.

Trust Your Mexico Cross-Border Freight To Estes And Enjoy:

- Reliable, end-to-end service to and from Mexico
- Virtually all-points LTL coverage throughout the country, including delivery to any commercial address
- Dedicated bilingual experts, available by phone to answer questions and help conquer language barriers with your receivers
- Direct services from the U.S. to all points in Mexico

With the support of our experienced shipping partner, you can rest assured knowing your Mexico freight is in safe, reliable hands. And with more than 50 terminals south of the border, Almex has the resources and the footprint to get your freight wherever it needs to go.
