# BILL OF LADING MADE EASY

Estes Shipping Tools

At Estes, we want to make freight shipping seamless. That's why our Bill of Lading tool offers intuitive, time-saving features and integrates with our Rate Quote tool for a more streamlined experience.

## Our BOL tool makes it easy to:

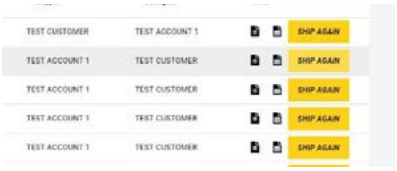

- Enter any valid rate quote to generate a BOL without needing to re-enter your freight details
- Search and import frequently used handling units and items from your personal Commodity Library
- Save and search frequently used addresses in your Address Book
- Request a pickup and print shipping labels straight from your BOL confirmation screen

*And so much more!*

Ready to experience it for yourself? Log into My Estes to check out our BOL tool. Or if you don't have a My Estes account, you can sign up for one today!

### Need to Ship Again?

Use the Ship Again feature to generate a new BOL with the same details of a previous shipment, then easily edit it to suit your needs!

**Learn more about how all our My Estes shipping tools can help simplify your experience.**

***At Estes, going the extra mile isn't just what we do—it's who we are***
